

L

Labetalol

- for aortic dissection, [2106](#)
- for hyperperfusion disorders, [2275](#)
- for hypertension, [2083t](#), [2084](#), [3356](#)
- for hypertension in pregnancy, [3763](#)
- for hypertensive emergencies, [2087](#), [2087t](#)
- for ischemic heart disease, [2040t](#)
- overdosage/poisoning with, [3591t](#)
- for preeclampsia, [3763](#)
- for sympathomimetic overdosage/poisoning, [3590t](#)

Laboratory diagnosis/tests. See also Clinical laboratory tests

- infectious diseases, **S11**
- parasitic infections, **S12**

Laboratory worker's lung, [2160t](#)

Labyrinthectomy, [241](#)

Labyrinthine infarction, [241](#)

Labyrinthitis, [80](#), [292](#), [293](#), [294t](#)

Lacosamide, [702](#), [3318t](#), [3320](#), [3322f](#)

Lacrimal glands, [220](#), [2837](#), [2838f](#)

Lacrimation, with headache, [113](#)

La Crosse virus, [1627t](#), [1637](#)

Lactase deficiency, [2462](#)

- diagnosis of, [296](#), [306](#), [2463](#)
- diarrhea in, [303](#), [1064t](#)
- indigestion in, [295](#)
- pathophysiology of, [2462–2463](#)
- treatment of, [296](#), [303](#), [306](#), [2463](#)

Lactate, arterial, [2246](#)

Lactate dehydrogenase (LDH)

- in ascitic fluid, [323](#)
- with left ventricular assist systems, [1976](#)
- in melanoma, [583](#)
- in non-Hodgkin's lymphoma, [844](#)
- in PCP, [1692](#)
- in testicular cancer, [690](#), [693t](#)
- in thromboembolic renal disease, [2090](#)
- as tumor marker, [487t](#)
